

Torbay and South Devon spring 2024 multi-church *trypraying* campaign

Dear church leader,

Your church is invited to join the project covering the greater Torbay, Exeter and South Devon areas.

Here is the idea in 2 minutes.

A major publicity campaign will run across the region throughout April and May combining:-

- 42 adverts on buses circulating for 4 weeks; plus
- a simultaneous display of banners and posters on church properties down the road and around the corner!

People in Torbay and South Devon will get the message to **trypraying!**

It's the perfect opportunity to inspire and mobilise your church members

to encourage their social contacts who aren't religious and who don't do church, to **trypraying.**

It helps members engage in Christ's commission to them (Matt. 28.19) in a simple user-friendly way.

"God made the nations so that they would seek Him, perhaps even reach out to Him and find Him. In fact God isn't far from any of us." Acts 17.27

As a person moves in faith towards God, He rewards those who seek Him.

Through the **trypraying** campaign your church members could give many people that opportunity in the next few months.
